

Why You Will Love RainSoft Water

SAVES MONEY: *RainSoft water PROTECTS your budget*

1. *Saves on Soap Products – use less soap and allows the use of pure soaps*
2. *Saves on Clothing – clothes last longer and are easier to care for*
3. *Saves on Appliances & Plumbing - water appliances last longer, water heater is more efficient*
4. *Saves on Water - eliminates the need for bottled water and expensive, cumbersome filters*
5. *Saves on Beverages - use less coffee, tea, Kool-Aid, and juices*

HEALTHIER: *Ultra-Pure RainSoft water DEFENDS your health*

6. *Improves the flavor, health, and appearance of foods and beverages*
7. *Carries nutrients and disease-fighting antibodies to the brain and internal organs*
8. *Helps control weight, and aids in digestion and elimination*
9. *Eradicates man-made contaminants and other impurities*

CLEANER: *RainSoft water is a POWERFUL cleaning agent:*

10. *Cleaner, softer, healthier Skin - reduces need for lotions and medications*
11. *Shinier, easier-to-manage Hair - reduces need for conditioners and expensive shampoos*
12. *Cleaner, softer Clothes - no need for harsh chemicals that clog your machine and make you itch*
13. *Cleaner Home and Environment – virtually spot-free mirrors & crystal, less harsh cleaners*
14. *Dramatically easier cleaning - reduced soap-scum on shower walls, shower curtains, tubs, sinks*

PROTECTS PLUMBING: *RainSoft water SAFEGUARDS water devices:*

15. *Cleaner, longer-lasting appliances, piping, and fixtures*
16. *Reduced clogging and calcium deposits in washing machine, dishwasher, water heater, coffee maker, faucets, fixtures, garbage disposals, showerheads, toilets, lavatories, tubs*

BETTER FOR CLOTHING: *RainSoft water PRESERVES clothing, cheaply*

17. *Cleaner - without the need for harsh detergents that make you itch*
18. *Softer and more comfortable to wear - without expensive fabric softeners*
19. *Longer-lasting - heavy cycles and harsh chemical detergents won't break down fabrics*

SAVES TIME & ENERGY: *RainSoft water SAVES on housekeeper drudgery*

20. *Saves Time – one-third less time for cleaning chores*
21. *Saves Energy & Consumables - use less soap and hot water*
22. *Saves Effort - no heavy, inconvenient water bottles to buy or carry; less scrubbing*

MAKES A GREAT INVESTMENT: *A RainSoft water system is FAMILY-wise*

23. *The wisest household investment - put your money back into your home and family*
24. *Highest yield - higher than any other household investment you can make*

QUALITY WATER FROM QUALITY PEOPLE: *RainSoft is DEPENDABLE*

25. *Fabulous warranty, ethical sales, professional installation, impeccable service*

And you'll have many more reasons...
